

Performer Plus Multimedia Player/Recorder

Model 2455AV-02

1. 14 Watts RMS loud enough for groups up to 100 people and can also be used as a mini public address system
 2. Built-in mic records lessons/student projects and won't get lost
 3. Variable speed playback on cassette / CD players ideal for library uses, language learning and dance/theatre/music groups
 4. CD-R/RW capability plays teacher and student created materials
 5. Rugged ABS plastic casing for durability and classroom safety
 6. AM/FM stereo
 7. Recessed speakers behind steel grilles avoid accidental puncturing
 8. Line input / output to connect with computers and other equipment
 9. Permanently attached 3-wire cord for safety with cord wrap
 10. Two 1/4" external speaker jacks for additional speakers
 11. Six built-in headphone jacks for listening center capabilities
 12. 3.5mm & 1/4" mic inputs for recording or public address uses
 13. Full function remote control (RC-2400) for flexibility
- One year warranty for school use - unlike media players purchased from consumer electronics stores whose warranties would be voided if used in schools

The Performer Plus is the most flexible multimedia player designed for educational uses. Its built-in listening center capability with variable speed playback is ideal for library, story time, music / dance / theatre uses as well as ELL, ELD and other language learning applications.
