

CASIO Announces Extended **5-year Warranty!**

Projection Technology that shines brighter and lasts longer.

CASIO LAMP-FREE means 5-years or 10,000 hours of reliable operation without the cost or hassle of lamp replacement.

By extending the light source warranty, Casio is emphasizing the reliability of Casio's Laser & LED Hybrid light source.

This industry leading warranty makes our already low Total Cost of Ownership (TCO) even better and users can expect significant savings on lamp cost during the warranty period.
