PASSPORT® 500 PRO:

Any time and any place you need big sound with great clarity and convenience, there's a new Passport® PRO system by Fender® that's right for you. Take a close look and listen, and we know you'll agree that Passport will take you places now as never before—Sound That Travels. The new PRO models are the latest step in the ongoing evolution of Passport into the very finest in portable PA solutions. We've kept the best of previous Passport generations and added new features and improved functionality so that new Passport systems are ideal for whatever your application may be—education, sporting and worship events; meetings, seminars and presentations; gigs at parties, small clubs and coffee houses. The eight-channel Passport 500 PRO is the new top-of-the-line Passport system. The 500 model has always had the most power and the best clarity; now it also has: A port that lets you record your performance with CD quality (.wav) straight to a USB flash drive, CD-quality .wav and mp3 file playback, Sub-out jack for an external powered sub-woofer, Lighter weight—a full 9 lbs. lighter than the earlier Passport 500 model, Smaller physical dimensions, and a redesigned speaker system with 10" woofer and improved clarity.
